

30<sup>th</sup> January 2019

Dear Parents and Carers,

If your child is interested in playing in a ukulele group this year could you please fill in the details below.

The group will be open to years 1 – 6 and rehearsals will be during a lunchbreak. This means consistent attendance will be mandatory to ensure a student does not lose their membership in the group.

No experience is necessary, just a positive attitude and willingness to practise at home to build chord shape memory and finger strength.

My child \_\_\_\_\_ in year \_\_\_\_\_

class \_\_\_\_\_ is interested in joining the NEPS ukulele group.

I already have my own ukulele  I will need to borrow a ukulele for rehearsals

My child understands that rehearsals will be during lunchbreaks and attendance ensures membership will be maintained

I look forward to getting this group ready to rock out some public performances in the near future.

Kind Regards,

Daniel Ringis.
