

# Harmony Day Assembly - 2/3V

Dear Parents,

Harmony Day is a celebration of Australia's cultural diversity. It is about inclusiveness, respect and a sense of belonging for everyone.

We will be celebrating Harmony Day on **Monday 19<sup>th</sup> March 2018** with a special community assembly commencing at **8:45am** under the COLA. Each class will present an assembly item that highlights the traditions, customs or culture of their chosen country. The choir will also be performing.

2/3V students are learning about **Italy** and will be showing their beautiful artwork at the assembly.

## What should 2/3V students wear?

1. They may wear green, white and red - the colours of the Italian flag, **or**
2. They may wear a traditional costume or clothing reflecting their own family heritage, **or**
3. They may wear orange - the official colour chosen to represent Harmony Day.

Thank you for your cooperation. Please see me if you have any further questions in relation to Harmony Day.

Kind regards,

Natalie Varagnolo
