

## Harmony Day Celebrations

Dear Parents,

In order to celebrate Harmony Day, Newcastle East Public School will be holding a special assembly. This year the Harmony Day Assembly will be held on **Monday 19th March 2018** under the **COLA** from **8.45am**. Harmony Day is a celebration of our cultural diversity – a day of cultural respect for everyone who calls Australia home. During this assembly each class will present an item based on the country they have been learning about. K1K have been learning about **Canada** and will be showcasing artworks that we have created using this country as our inspiration. On this special day, students are encouraged to wear orange clothing, as this is the official Harmony Day colour. Alternatively, students in K1K may wish to wear red and white clothing to match the colours of the Canadian flag.
