

Parent Helpers for Reading Groups in 1/2T

Dear Parents,

If you/partner or your child's grandparents, or other relatives would like to assist with reading groups in our 1/2T classroom this year, your help would be appreciated.

I will be running reading groups on Mondays, Wednesdays and Thursdays this term. The times are as follows:

Mondays after assembly and roll call- 9.15-10.00am

Wednesdays after roll call – 8.50-9.30am

Thursdays after roll call- 8.50-9.30am

If you would like to assist, you will be given a small group of students (3-6) who will read the same text with you, taking turns to read a page each of the text. After that they complete an activity that relates back to the text. While taking turns to read, each student should be encouraged to sound out unknown words or use the picture clues to help them decode the unknown word. That's it!

Before you can enter the classroom as a volunteer, you need to sign in at the office and have completed a working with children check as set out in the letter to parents that I previously sent home.

Just come to the classroom on any of the days indicated at the prescribed time and I'll set you up with a group. Don't worry if you can only come occasionally, the groups will still go ahead with or without you. Any help, any time would be appreciated.

Kind Regards,

Linda Thomas
