

# After School Sailing - Term 2 2019

## Force 24s Keelboat Sailing Program

After school sailing starts again in Week 2 of Term 2 on **Monday 6<sup>th</sup> May 2019**. Any student in **Year 4, Year 5 or Year 6**, who is a competent 50m swimmer, is able to join in with the *Force 24s Keelboat Sailing Program*.

This 8 week program sailed on *Force 24s* is a progressive skill program where the children will learn all of the safety aspects of sailing a keelboat, as well as the seamanship skills required. Sailing with 3-4 other students and an instructor on board, the children will rotate around the different crew positions on a keelboat, including skippering, whilst learning to work as part of a crew. Safety equipment and life jackets are supplied and all instructors are fully qualified and experienced sailors themselves. Catering for beginners through to the more experienced, this is a great program also for transferring Tackers dinghy skills onto a bigger boat.
